OLYLIFE THZ TERA – P90+

OLYLIFE THZ TERA – P90+

ALL-IN-ONE
WELLNESS TECHNOLOGY PLATFORM

OLYLIFE THZ TERA-P90+

What it is
A comprehensive home-based wellness system that integrates multiple technologies into one unified setup.

Designed for
Regeneration · microcirculation · relaxation · daily wellness routines

Core technologies

- PEMF & Terahertz — core system
- RF & EMS — beauty & muscle stimulation
- Magnetic fields, TENS & red light — massage & recovery

$1500 / €1275

OLYLIFE THZ TERA-P90

OLYLIFE – GLOBAL WELLNESS TECHNOLOGY COMPANY

What it is

A swellness system focused on PEMF and terahertz technologies.

Designed for

Daily regeneration · microcirculation · regular wellness routines

Core technologies

- Bioelectromagnetic energy (PEMF)
  - rhythmic stimulation & cellular communication
- Terahertz technology
  - microcirculation & gentle internal energy support

$1000 / €855

GALAXY G-ONE

OLYLIFE GALAXY G-ONE

EYE & NERVOUS SYSTEM WELLNESS DEVICE

What it is

A compact wellness device designed to support eye comfort and nervous system relaxation.

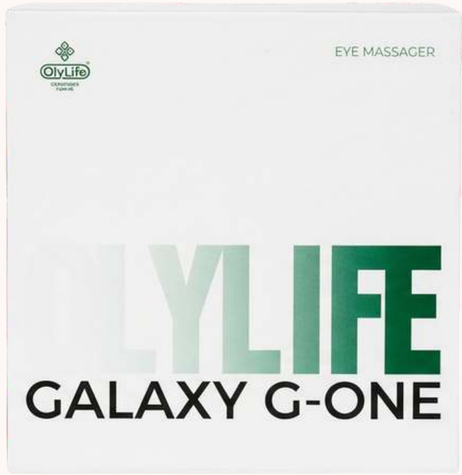

Designed for

Screen fatigue · mental overload · daily reset

Core technologies

- PEMF
- Air-pressure massage
- Gentle vibration
- Controlled heat

$500 / €430

OLYLIFE VITALITY WAND

OLYLIFE VITALITY WAND

DEEP BODY ACTIVATION & CIRCULATION SUPPORT

What it is

A hands-free wellness device combining ultra-long PEMF waves, terahertz energy, heat and air-pressure massage.

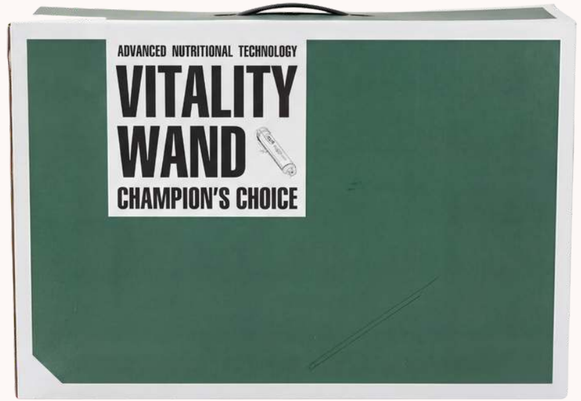

Designed for

Microcirculation · fatigue release · cold areas · daily body activation

Core technologies

- Terahertz waves
- Ultra-long PEMF waves
- Thermal energy transfer
- Air-pressure massage

$600 / €515

OLYLIFE A9 SMART ANION BAMA AIR

OLYLIFE A9 SMART ANION BAMA AIR

AIR QUALITY & VITALITY DEVICE

What it is

An air wellness device designed to enrich indoor spaces with high concentrations of negative ions and purified air.

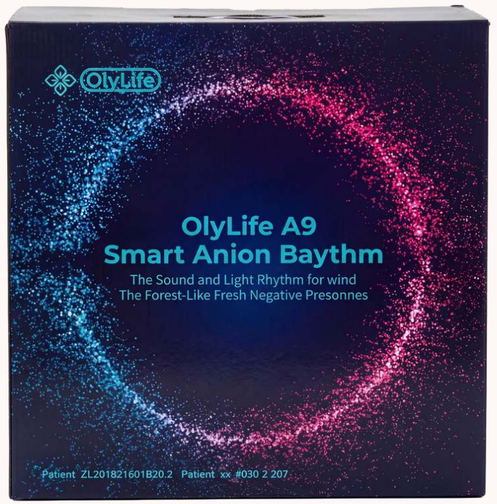

Designed for

Air quality · relaxation · sleep environment · daily vitality

Core technologies

- High-density negative ions (200 million/cm³)
- HEPA air filtration
- Smart environment modes
- Ambient light & sound

$500 / €430

OLYLIFE H+ BAR

OlyLife

OLYLIFE H+ BAR

HYDROGEN WATER & HYDRATION DEVICE

What it is

A portable wellness bottle designed to produce hydrogen-rich water and support efficient daily hydration.

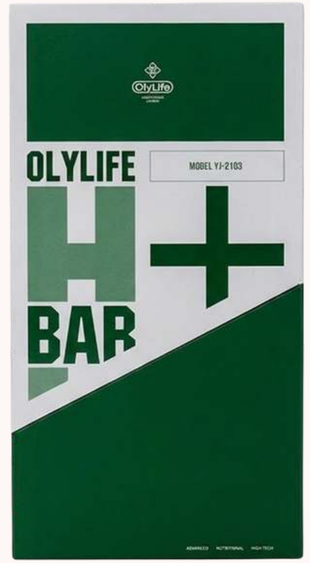

Designed for

Daily hydration · antioxidant support · cellular balance · on-the-go use

Core technologies

- Hydrogen water generation
- MRET low-frequency resonance
- Dual-chamber system
- Proton exchange membrane

$600 / €515

OLYLIFE SHAKEN MASSAGER

OLYLIFE SHAKEN MASSAGER

BODY ACTIVATION & SHAPING DEVICE

What it is

A wearable wellness device that combines rhythmic stimulation and heat to support body activation and shaping routines.

Designed for

Body activation · circulation · muscle stimulation · shaping support

Core technologies

- **Rhythmic vibration**
- **Controlled heat**
- **Ultrasound**
- **PEMF**

$1000 / €850
